# PROTEST

**Outside Presidential Debate**

**Thurs. Jan. 31, 5 pm**  
**Hollywood & Highland, LA**

Join the ANSWER Coalition and other organizations on Thursday, Jan. 31 for an anti-war protest and picket at the Kodak Theatre, outside the pro-war Democratic Party's final presidential debate before the California and other state primaries. Bring signs, banners, noisemakers and make your anti-war voices heard as the debate is happening inside!

The leading Democratic Party candidates are all for continuing the Iraq war, although they all pay lip service to ending it. Real opposition to the war will be excluded from the debate. It's our obligation to bring the true wishes of the people in the U.S. to the streets.
